Tools / Deployment: Git, GitHub, Vercel, Netlify, Render, npm, Chrome, Figma-to-code, ESLint, Prettier, VS Code | Basic : Python, Java

AI Workflow: ChatGPT, Gemini, Claude, Cursor, Prompt Engineering, AI-assisted Debugging, README Writing, Test-case Generation

PROJECTS

BloodConnect — Blood Donation Site

[Live](#) | [Client GitHub](#) | [Server GitHub](#)

Tech: Next.js, React, Tailwind CSS, HeroUI, Framer Motion, Lottie Animation, Better Auth, Node.js, Express, MongoDB, Stripe

- Built a full stack blood donation platform with authentication and role-based dashboards.
- Developed donation request, donor, and status management features.
- Implemented dynamic search and filtering by blood group, district, and upazila to match donors with urgent requests in real time.

MediQueue — Tutors Booking Platform

[Live](#) | [Client GitHub](#) | [Server GitHub](#)

Tech: Next.js, React, Tailwind CSS, HeroUI, Framer Motion, Lottie Animation, Better Auth, Node.js, Express, MongoDB, Mongoose

- Developed a tutor booking platform where users can browse tutors and manage bookings.
- Implemented search, filtering, booking management, cancellation, and status update functionality.
- Built responsive user interfaces and dashboard features for managing platform activities.

QurbaniHat — Livestock Platform

[Live](#) | [GitHub](#)

Tech: Next.js, React, Tailwind CSS, HeroUI, Better Auth, Lottie Animation, Framer Motion, React Hook Form, MongoDB

- Developed a livestock booking platform that allows users to browse and book animals for Qurbani.
- Implemented livestock-related functionality and dynamic data management using modern web technologies.
- Designed a responsive and user-friendly interface for browsing livestock details and managing bookings.

EDUCATION

Bachelor of Social Science, Dhaka Central University, Bangladesh — Expected Graduation : 2027

CERTIFICATIONS & TRAINING

- Complete Web Development Course With Programming Hero — Batch 13 | Certificate in Progress |
- Next Level Foundation Program — Level 2

ACHIEVEMENTS & EXTRACURRICULAR

- Job Placement Bootcamp — Programming Hero

SOFT SKILLS

Problem Analysis | Quick Learning | Team Collaboration | Effective Communication | Adaptability | Time Management

LANGUAGES

Bangla — Native | English — Professional working proficiency, comfortable with technical documentation, email communication and team standups
